

Good afternoon Gentlemen.

We had great inaugural 1800 Freedom Benchrest shoot yesterday. 16 shooters showed up and the Shot Marker system worked flawlessly.

Wayne Christian travelled the farthest.

A new **first-time** benchrest shooter, Kristina Panfilova (picture attached), won LV with a .2602 agg and also small group with a .193. She is being mentored by Duke and also shot one of his guns, so I guess it pays to listen to Duke!

Ed Aulestia won HV with a .2546 and Sal Bonilla shot a **verified 5 shot** small group of .152!

Hunter was won by a newish shooter, Eddie Sheh with a .4480 and Jess Carta had small group with a .358.
